"Reading *Moon Women* is like falling into a feather bed—you'll want to snuggle in, settle down, and stay right there until you have turned the last wonderful page."

—Lee Smith, author of *Fair and Tender Ladies*

A NOVEL

Moon Women by Pamela Duncan

Pamela Duncan

within the lush North Carolina foothills, the Moon girls have placed down roots: matriarch Marvelle Moon, who's wasting her grip at the international after greater than 80 years of life; her daughters, Ruth Ann and Cassandra; and Ruth Ann's nineteen-year-old daughter, Ashley, clean out of rehab, unmarried, and 3 months pregnant. regardless of Ruth Ann's top efforts to dwell a existence that's all her own, her kin is coming jointly round her. Marvelle and Ashley desire a position to stay and Ruth Ann is not able to show them away; and her womanizing ex-husband has been coming round again, dredging up the past. Now a flurry of outbursts, emotions, and outrages is shattering Ruth Moon Women Ann's separate peace. For here's Ashley, who has spent nineteen Moon Women years operating furiously clear of home, now discovering herself on a wierd trip together with her unraveling grandmother. And this is Cassandra, safe through layers of weight problems and loneliness, pondering find out how to positioned magic again in her life. And Marvelle, slowly wasting contact with reality, privately considering the tale of her existence and the key that will switch every thing for everyone—if they simply knew.... via turns fierce and tender, harrowing and heartbreaking, Moon ladies resonates with emotional power, preserving us captive lower than its beguiling spell. From the alternate Paperback edition.

3 generations of Moon girls residing in a small North Carolina city try to do the simplest they could in life. Grandmother Marvelle is attempting to hang out lengthy sufficient to cross on what she's discovered to the subsequent generation. Her knowledge is richly deserved and he or she is aware the kids want it. Her daughters Ruth Ann and Cassandra are attempting to determine if the lives they're dwelling are the lives they want. Ruth Ann's daughter Ashley is younger yet she's already previous in experience. because the booklet opens, Ruth Ann is riding to Asheville to select Ashley up from the rehab middle the place she's been staying. Ashley should be residing together with her now that she's been discharged. once they come back to their little town, Ashley drops the scoop that she's pregnant and Marvelle declares that she's relocating in as well. existence is set to get interesting. I enjoyed this book. I met writer Pamela Duncan at a ebook pageant many years in the past and simply Moon Women chattered away at her. I by no means do that. i am often all tongue-tied at writer signings and infrequently get out greater than "Please" and "Thank you." Moon Women however it simply felt like she was once one in every of my form of humans and so I rattled on whereas she graciously listened. This kinfolk of ladies felt like my family. we've got loads of girls too and we like every one other, aggravate each one other, get in each one other's business, and cheer one another on. that is how those Moon ladies were. the tale rotates among the 4 characters (Cassandra's half is small yet she has a voice) and there has been Moon Women by no means a time while i needed i may come again to a different storyline; I loved them all. each one personality is dealing with demanding situations that we will all relate to. i'll admit that i wished to arrive within the pages Moon Women and shake Ashley. "Will *shake* you *shake* PLEASE *vigorous shake* simply *shake* wake *shake* up *shake* and *shake* permit *shake* that *shake* candy *shake* boy *shake* love *shake* you?!?!?" *tooth-rattling shake* i think higher for having written it out. She was once obdurate past all reason. bad Cassandra. I wasn't fullyyt proud of her story, yet there is a

glimmer of desire for her. i'm going to need to dive into the large appealing quickly to work out how she ends up. For a publication approximately robust ladies and their ties to every other, decide this one up. Is there better compliment than "These characters felt like my family?" i don't believe so.
