Phil Jackson

greater than a video game is the odyssey of Jackson's journey—from big apple Knick and international champion, to CBA coach, to six-time Chicago Bulls international champion, to this year's L.A. Lakers global champion—and the teachings in management he realized each one step of the way. it's the story of Rosen's trip as well, sporting the torch for the sport of basketball via careers as big name university player, CBA coach, and preeminent novelist of the game. it's also the tale of the method jackson coaches, the powertriangle, as positioned forth by way of Lakers assistant trainer Tex Winter. The triangle should be understood as a philosophy of basketball and life—one that values function avid gamers virtually up to superstar players, and the place basics rule. greater than a video game can be a narrative of the friendship among Jackson and Rosen, cast within the sacred brotherhood of the hoop.

This e-book covers More Than a Game up Phil Jackson's first ring with LAL. Jackson and Rosen trade chapters, notwithstanding Jackson have written many extra pages than Rosen. And the extra fascinating ones, i would add.Rosen's chapters are approximately his basketball existence as participant after which as coach, in addition to More Than a Game quite a few anecdotes and an method of the determine of Tex Winter, the guy at the back of the recognized 'Triangle' offense which Jackson had constructed either in Bulls and Lakers. I felt his chapters like extra dull than the Jackson's ones simply because i haven't got distinct curiosity within the lifetime of him, notwithstanding I contemplate the determine of Phil Jackson even more attractive. Of a majority of these chapters I merely loved the half dedicated to Winter, a guy whose significance constructing the 'Triangle' used to be the most important to the luck of Jackson and whom I scarcely knew.So the simplest a part of the ebook are Jackson's chapters. He makes a short view of his complete basketball profession until eventually 12 months 2000, paying distinct cognizance to the 1999-2000 season, during which he gained his 7th NBA name as trainer with the l. a. Lakers. approximately one 3rd of the e-book is set that.I loved his first chapters speaking More Than a Game approximately his participant years after which his starting as trainer in CBA and Puerto Rico. He bargains us a number of tales in those leagues while he used to be constructing his talents to steer a team, they usually outcome attention-grabbing for a unique view of a beginner, now not the customarily greater identified successes.The final 3rd of the booklet is the tale of Lakers' 1999-2000 season, the 1st one among Jackson with this team, finally of which they received the title. They have been an excellent staff and the Jackson's prepared to enforce More Than a Game the 'Triangle' used to be an important challenge, ultimately successful. It wasn't effortless to regard Kobe or Shaq's egos, yet Jackson used to be capable of take care of them all and to accomplish their major goal: the ring.Besides Phil Jackson explains a few of the options of the 'Triangle', there even are numerous pictures on the finish of the publication to assist us figuring out them. it's totally attention-grabbing to understand how Jackson, with Winter's contribution, of course, applied the process and was once in a position to advance it in the course of the season. His doubts approximately this or the relationships contained in the team. and in addition his personal own life, how after his divorce he needed to find out how to be a unmarried back and the way this motivated in his day-to-day.
