This ebook was once written in simple terms 6 weeks after the crime so is incomplete. I comprehend the frenzy to submit - yet this was once nuts. What the writer did do, used to be file on what was once taking place on the time. What used to be known, what used to be speculation, what the media was once saying. What the police was once sayign. What the kin was once saying. And the reporting through the writer used to be impartial - he didnt make assumptions. however it is finally unsatisfying because much more used to be there after that point body to report. just like the trial. The facts admitted. The acquital... The aftermath.
