Music Grooves: Essays and Dialogues

Charles Keil

A collaboration among of the main attention-grabbing voices in ethnomusicology, this quantity explores strong themes: the "groove" of firsthand adventure and participation in song and the "groove" of musical mediation and commodification via recordings. The various authors' most crucial essays, all revised and updated, are brought and framed by means of dialogues that offer extra context, introduce retrospective concerns, and demonstrate connections. This structure signs the authors' hope for a extra reflexive, experimental discourse on song and society and invitations readers to affix their conversations. Music Grooves levels from jazz, blues, polka, soul, rock, global beat, Music Grooves: Essays and Dialogues rap, karaoke, and different Music Grooves: Essays and Dialogues normal genres to significant scholarly debates in track theory, ethnomusicology, and pop culture studies. The authors boost and create hyperlinks among the fields of ethnomusicology and pop culture experiences and relate the contents of musics from America, Greece, Cuba, Africa, and Papua New Guinea to artists as various as James Brown, Aretha Franklin, L'il Wally Jagiello, Bo Diddley, Walt Solek, Madonna, Paul Simon, Miles Davis, Thelonious Monk, and Music Grooves: Essays and Dialogues Billie Holiday. Keil and Feld provide a desirable view of the shaping of significant rules and phrases in ethnomusicology comparable to "engendered feeling," "interpretive moves," "participatory Music Grooves: Essays and Dialogues discrepancies," "iconicity of style," "people's music," "schizophonia," and "lift-up-over sounding." From Keil's critique of Leonard Meyer's musicological method of Feld's contemporary paintings on international beat, this quantity covers an array of significant matters in media studies, musicology and ethnomusicology, well known culture, anthropology, and sociology. it's going to curiosity a person eager about the character and that means of song within the smooth world.
