My First Wedding: A Planner for Modern Couples

Jim Mullen

photo your dream wedding. you've your Vera Wang dress, the church is elegant, the organ song is tasteful. or perhaps you are on a few seashore within the Caribbean, barefoot, with wildflowers on your hair. in any other case you are in a special synagogue, the wealthy comforts of culture resounding within the outstanding crunch of glass underneath your feet. Now wake up. None of that has something to do your wedding. My First marriage ceremony exhibits you in hilarious aspect what making plans a marriage is admittedly about, including: Fighting together with your mom and dad over the budget Fighting together with your mom and dad over the visitor list Finding the appropriate pre-wedding crash diet Picking out hideously gruesome bridesmaids' dresses Establishing a theme; struggling with over the theme; altering the theme Fighting along with your fiance over the honeymoon destination From the intense minds who introduced you "Baby's First Tattoo," which "USA Today" describes as "viciously funny," this e-book is not only strong fun, it's also an outstanding investment. Armed with it you will not make a similar errors in your moment marriage ceremony that you simply made on "My First Wedding."

So funny!

My First Wedding A Planner For Modern Couples
