N OR M?

N or M? (Tommy and Tuppence #3) by Agatha Christie

Agatha Christie

This novel, set in the course of global battle II, sees Tommy and Tuppence Beresford appointed as spies through the intelligence service. Their mission: to find the Nazis in disguise, a guy and a girl from one of the vibrant visitors at a seashore hotel.

"O Patriotismo não basta. Não devo abrigar ódio no meu coração." Até hoje só tinha lido algumas histórias soltas de Agatha Christie e um par de aventuras do seu famoso detetive Hercule Poirot. Na verdade, com exceção do livro "Noite sem Fim", ao qual fiquei totalmente rendida, nenhum dos outros me convenceu a dar lugar de destaque à autora, no meu pequeno grupo de escritores favoritos. Porém, apesar de Poirot ser a sua personagem mais conhecida e estimada pelos leitores, existem outras que, até esta leitura, me eram desconhecidas. Felizmente, quis o acaso e uma amiga que me ofereceu o livro que eu conhecesse Tommy e Tuppence, um casal que têm aventuras misteriosas e criminosas em comum. A sua paixão contagiante, a inexistência de segredos entre eles e o facto de serem inseparáveis tanto na vida, N or M? (Tommy and Tuppence #3) como no trabalho foram as razões mais óbvias que prenderam a minha atenção, conseguiram o meu afeto e cativaram o meu coração. Porém Tommy e Tuppence são muito, muito mais que o que vemos à primeira vista! A história tem lugar no ano de 1940, durante a guerra, onde é evidente o desemprego, a desconfiança e... os espões! Com o seu casal de gémeos crescido e a trabalhar, Tommy e Tuppence vêm-se inativos contra a sua vontade. Apesar da sua vasta experiência na resolução de mistérios e outras áreas mais comuns, a sua idade apresenta-se como um obstáculo difícil de ultrapassar. Porém, quando menos esperam surge-lhes um desafio. Mas um desafio sério, complexo e, acima de tudo secreto! "Há muito que a caça ao homem é um fator humorístico." No curioso estabelecimento "Sans Souci", Tommy infiltra-se com a tarefa de desvendar um infiltrado. Da mesma forma, a sua mulher Tuppence, infiltra-se para ajudar o seu amado e infiltrado marido! "Geralmente gosta-se do adversário, sabe... até quando se faz o possível para destruí-lo." Dois infiltrados nós conhecemos, mas e então o terceiro e o quarto? N e M são os seus nomes código e a única informação que N or M? (Tommy and Tuppence #3) dispomos a seu respeito. Os suspeitos são vários, desde homens a mulheres, jovens ou passados da meia idade, porém o casal infiltrado não consegue evitar sentir uma certa simpatia pelos suspeitos, uma vez que estes espiam para a sua pátria. Uma missão de louvar, mas do seu ponto de vista, são inimigos a abater. "Palavras sugestivas? N or M? (Tommy and Tuppence #3) Sim, mas suscetíveis de um sem número de interpretações inofensivas." Agatha Christie aborda os maravilhosos e indispensáveis clichés da espionagem com muito humor, ação, mistério e romance. Esta história tem N or M? (Tommy and Tuppence #3) um esconderijo que abre com uma alavanca secreta, recorre N or M? (Tommy and Tuppence #3) ao código Morse numa situação de aflição extrema, united states a camuflagem de planos confidenciais em objetos do quotidiano, apresenta suspeitos convenientes, mas honestos, condena culpados aparentemente inofensivos e desvenda planos engenhocas! "Saber quando se pode ser sincero é o segredo de enganar com N or M? (Tommy and Tuppence #3) êxito."
