Lance Tooks

From an artist whose paintings has seemed in additional than a hundred tv commercials, films, and track videos, NARCISSA is Lance Tooks' fantastically drawn, compelling tale of 1 woman's trip to self-discovery. Narcissa, a skilled and self-centered autonomous filmmaker, is collapsing below Narcissa the tension of her critics--the "enlightened" those who are attempting to get her to compromise her integrity. the strain is killing her--literally. Warned that if she attempts to accomplish her present venture she'll be useless in a week, Narcissa comes to a decision to flee the chaos that surrounds her--and fears the fears that threaten to weigh down her--by touring to Spain. As she encounters new people, places, and experiences, Narcissa progressively involves a deeper knowing of who she is and what she is doing together with her life. Depicting Narcissa's trip with compassion and wit, Lance Tooks has created an episodic, completely engrossing, existential story that might lengthy resonate with readers.
