No More Antibiotics: Preventing and Treating Ear and Respiratory Infections the Natural Way

Mary Ann Block

during this leap forward book, Dr. Mary Ann Block tells readers what so much medical professionals won't: you could heal infections at home -- without antibiotics. Utilizing clear, easy-to-understand language, she explains: How antibiotics prevent the immune system, establishing you or your baby for extra infections; how you can deal with ear and breathing infections by utilizing her uncomplicated therapeutic massage techniques to assist drain fluid and help the immune system; the way to hinder those infections via focusing on their deeper underlying causes; and more. "No More Antibiotics: Preventing and Treating Ear and Respiratory Infections the Natural Way" presents a safer, more suitable method to effectively struggle off infections and advertise the body's usual skill to heal itself.
