Nouvelles Sous Ecstasy by Frédéric Beigbeder

Frédéric Beigbeder

Certains territoires du cerveau et d'autres champs de l. a. judgment of right and wrong sont restés inexplorés avant les années quatre-vingt et l. a. découverte d'une nouvelle drogue, les anges MDMA, plus connue sous le nom d'ecstasy. Droque dure, cette "pilule de l'amour" à effet rapide "avec une montée et une descente comme dans les montagnes russes" rend l. a. vie des personnages de *Nouvelles Sous Ecstasy* ce recueil de nouvelles parfois difficile : jouissive avant d'être sombre, heureuse avant d'être déprimante. On s'aime, on se déchire, on fait des choses folles comme voir le monde au bord du gouffre, oublier ses inhibitions et ses tabous... et puis... passer *Nouvelles Sous Ecstasy* les bornes. Oui sans doute, sans *Nouvelles Sous Ecstasy* doute, automobile voilà tout le expertise de Beigbeder. Avec beaucoup d'humour et d'invention, il nous suggère une réflexion sur l'amour et sur l. a. folie, deux innovations aux multiples ramifications. Et avec toute l'affection dont il est capable, il partage le "trip" de ses personnages, nous offrant l. a. possibilité d'hésiter : est-ce l'auteur qui écrit sous ecstasy ou le récit de los angeles vie d'individus en plein envol ? Peut-être bien les deux, ce qui ne gâche en rien le plaisir de *Nouvelles Sous Ecstasy* los angeles lecture. --Hector Chavez

2,5 étoiles.ABC Recommandations (B)Si Sarah ne m'avait pas conseillé et offert ce recueil de nouvelles de Frédéric Beigbeder, il est possible que je ne l'aurais jamais lu et aurais continué mon chemin littéraire sans tenir compte de lui. Finalement, tout en sachant que je n'en *Nouvelles Sous Ecstasy* garderai pas un memento fort, j'ai apprécié découvrir ces *Nouvelles Sous Ecstasy* textes et cet auteur que je connaissais si peu.Comme l'indique le titre, le thème commun de ces nouvelles est l'ecstasy, que ce soit les effets qu'elle provoque ou les explications qui amènent à vouloir l'essayer. Le milieu dans lequel se déroulent les intrigues est également le même, à peu de choses près, dans tous les textes : les boîtes de nuit, les soirées de jeunes gens riches et oisifs et les bars (à putes ou simples débits de boisson) notamment. Une fois ce cadre posé, les textes se déploient chacun à leur manière, dans des lots narratifs parfois résolument différents, des jeux de mots au dramatico-pathétique, en passant par le désabusé/lucide, l'ironique et l'humoristique. Cette diversité est à l. a. fois l'atout de ce recueil (l'effet de lassitude est évité, *Nouvelles Sous Ecstasy* et *Nouvelles Sous Ecstasy* l'auteur fait preuve de maîtrise littéraire dans plusieurs genres) et le piège dans lequel il tombe (à strength de se différencier, les textes en deviennent inégaux au niveau qualitatif)Enfin, si je devais retenir quelques nouvelles, je citerais entre autres l. a. première, *Spleen à l'aéroport de Roissy-Charles-de-Gaulle*, qui joue sur *Nouvelles Sous Ecstasy* les sons de l. a. langue et pose un regard neuf sur le monde à travers toutes les questions posées : entre Queneau (dans ses *Exercices de style*) et Voltaire (avec son *Candide*) en quelque sorte. Ce moment point se retrouve également dans les deux events de *L'homme qui regardait les femmes* et *Manuscrit trouvé à Saint-Germain-des-Prés* qui, sur deux modes différents, sont une critique corrosive de l. a. société actuelle. Le jour où j'ai plu aux filles m'a fait sourire par sa chute *Nouvelles Sous Ecstasy* inattendue et très bien amenée en à peine quelques pages, de même que los angeles première nouvelle d'« effortless analyzing ». <http://minoualu.blogspot.com/2012/04/...>
