O Jogo da Gata-Parida by Luiz Gutemberg

Luiz Gutemberg

Nunca, ninguém, nem nenhum livro, foi tão longe na revelação do que havia por trás da luta entre os generais que disputavam o poder no Brasil. Só mesmo um romance conseguiria ser tão livre e tão O Jogo da Gata-Parida claro. Essa é a primeira e grande virtude de O Jogo da Gata-Parida. - "Escrevo romances como se fossem reportagens, exercitando minha vocação de testemunha. A ficção para mim é apenas uma forma de dizer a verdade, uma escamoteação tática. (...) O Jogo da Gata-Parida é um romance testemunhal. A um só pace tem as emoções de uma obra de ficção e o peso de revelações sobre a luta pelo poder - e a vida sexual - dos generais que O Jogo da Gata-Parida governaram o Brasil." (Luiz Gutemberg)
