Olympic Gold for Cat and Toby by Sharon Roberts

Sharon Roberts

this is often the uplifting tale of a girl's fight to discover herself Olympic Gold for Cat and Toby after tragedy approximately destroys her life. Fourteen-year-old Cat has dedicated her lifestyles to determine skating and works tirelessly for Olympic gold. whereas using domestic from a skating competition, she and her dad are curious about an accident. Cat awakens within the health facility and learns the worst has happened: Her father is useless and her left leg used to be amputated under the knee. Caitlin sinks right into a depression. A relatives health care provider indicates hippotherapy. Reluctantly, Caitlin concurs to healing riding. encouraged by means of the sight of a horse and rider training on a stadium bounce course, Caitlin comes to a decision she is going to discover ways to compete again. Olympic gold once more turns out possible. while the landlord of the stables permits her to paintings with Toby, an overo pinto with a nasty angle and a ordinary leaping ability, Caitlin discovers there's extra to a horse than simply competition.

This ebook is set a teenage lady named Cat who's on Olympic Gold for Cat and Toby her solution to the Olympics for ice skating. yet at the approach domestic from a competition she and her dad are in a motor vehicle crash and her dad is killed and Cat is left along with her leg having to be taken. Her continually operating mother is the one kinfolk she has left, however the do not need a very good relationship. After relocating to a brand new house, Cat's health practitioner means that she try out driving horses as therapy, Cat is hesitant at first. but if she will get to the sturdy she sees a lady and horse leaping and comes to a decision she desires to do this too. She slowly learns to trip and makes acquaintances on the stable. I loved the tale for the main half however it used to be basically ok good written. It was once a simple read. Most demanding thing, what number typos there were. there has been an insane volume and it bought annoying.
