

## Once Upon a Tide by Tony Mitton

Tony Mitton

Down via the seashore Bess and I stood at the sand and checked out the sky. Tony Mitton and Selina Younger have stitched jointly an enthralling seafaring event for youngsters during this bedtime treasure. From the Hardcover edition.

young children examine the ocean and choose Once Upon a Tide to explore. They construct a boat, sew up a sail, get a map and a compass and set sail. They come across a whale and located the island famous at the map. There they locate treasure and head Once Upon a Tide again the place they flip their boat right Once Upon a Tide into a condo and dwell forever. It was once simply okay. The illustrations are colourful and fun, yet total the ebook is not anything exciting. it is a great little story, yet not anything more.
