'I have lived. Yes, i've got lived. I drank Oscar Wilde: A Biography the sweet, I drank the bitter, and that i discovered the bitterness within the sweetness and the beauty within the bitterness.' Se amate questo scrittore, non potete assolutamente perdervi questa biografia. Sappiate che quando avrete voltato l'ultima pagina, saprete quasi quante volte andava in bagno Mr. Wilde. Il lavoro svolto da Ellmann, infatti, è certosino e accurato, oltre ad aver coperto quasi un ventennio della sua vita. Detto questo, sappiate che ho impiegato Oscar Wilde: A Biography due settimane circa consistent with costringermi a continuare l. a. lettura dal momento che ho letto Lord Douglas. Voi vi chiederete che bisogno ne avessi mai, visto che anche le pietre conoscono in step with sommi capi le vicende della vita di Wilde. Be', credetemi, non sono mai stata tanto felice di essermi presa del pace prima di proseguire una lettura. Il fatto è che passa un oceano tra "sapere l. a. biografia in step with sommi capi" e "conoscere lo strazio che è stato inflitto a quest'uomo". E dire che ho anche letto il De Profundis. Non si può dire che non fossi preparata (e, infatti, ho optato according to prendere fiato prima di sapere). Il punto è che è difficile oggi non percepire come orribilmente ingiusta l. a. pena inflitta a Wilde, con tutto ciò che ne è seguito. Come in step with il massacro degli indios nelle Americhe o in step with los angeles persecuzione dei cristiani nell'antica Roma, los angeles nostra mente ha ben chiaro quanto sia stato sbagliato (o almeno lo è according to quelle menti lontane da una particolare forma di stupidità). Questo, infatti, set off Ellmann a commentare, a chiusa della biografia, che Oscar Wilde è più un uomo del nostro pace che dell'epoca vittoriana. He belongs to our global greater than to Victoria's. Now, past the achieve of scandal, his most sensible writings proven by means of time, he comes sooner than us still, a towering figure, guffawing and Oscar Wilde: A Biography weeping, with parables and paradoxes, so generous, so

amusing, and so right. Oggi non troveremmo niente di sbagliato nel pretendere Oscar Wilde: A Biography che los angeles società ci accetti according to come siamo e si vergogni della propria ipocrisia, e anche Wilde period di questo avviso. He requested it to tolerate aberrations from the norm, similar to homosexuality, to renounce its hypocrisy either via spotting social evidence and by means of acknowledging that its ideas have been dependent upon hatred instead of love, resulting in privation of character as of art. Ma los angeles società vittoriana inglese Oscar Wilde: A Biography non aveva nessuna intenzione di cedere alla richiesta di Wilde, e sappiamo come è andata a finire. È davvero straziante leggerlo nero su bianco, sia i terribili anni della prigionia (quando malattia e malnutrizione erano scambiati consistent with pigrizia e riluttanza al dovere), sia l'esilio (che a Wilde in alcuni momenti sembrò peggiore dello stesso carcere, quando molti che erano stati suoi amici si voltavano dall'altra parte se lo incrociavano consistent with strada). His stubbornness, his courage, and his gallantry additionally stored him there. He had constantly met adversity head on, to stand adverse journalists, moralistic reviewers, and canting, ranting fathers. a guy so fascinated by his snapshot disdained to consider himself as a fugitive, skulking in darkish corners rather than lording it within the limelight. He hottest to be a good figure, doomed through destiny and the unjust legislation of a international country. The stream happened on 21 November, and proved to be the only so much humiliating adventure of Wilde's legal life. 'Must or not it's cut?' requested Wilde, with tears in his eyes; 'you don't comprehend what it skill to me.' It was once cut. 'Why do you now not write now?' she asked. 'Because i've Oscar Wilde: A Biography got written all there has been to write. I wrote while i didn't recognize life, now that i do know the which means of life, i've got not more to Oscar Wilde: A Biography write.' Then, much less penitently, he said, 'I have stumbled on my soul. i used to be chuffed in legal simply because i discovered my soul.'
