Parthenopi: New and Selected Poems by Michael Waters

Michael Waters

Vivid, sensual poems evoking the poignancy of affection and loss.

the amount will get enhanced virtually accurately because it advances. the sooner poems, facing youth remembrances and younger passions, are well-crafted and from time to time relocating and incisive, yet there's an air of sentimentality and a formulaic caliber lingering in lots of of them. The later poems though, which care for mortality (and immortal forces), marriage, divorce and intercourse are strong, such a lot specifically shuttle encounters with an unforgettably evoked sequence of creatures and artifacts -- sea turtles, morpho, driftwood, conch, torches and extra -- that remove darkness from and rework truth right into a demanding and rippling beauty.
