Penny from Heaven by Jennifer Penny from Heaven L. Holm

Jennifer L. Holm

it really is 1953 and eleven-year-old Penny desires of a soothing summer. yet nothing's that straightforward in Penny's family. For starters, she cannot cross swimming simply because her mother's afraid she'll trap polio on the pool. To make concerns worse, her dog, Scarlet O'Hara, is sick. Her cousin Frankie is in difficulty with the church. And her Nonny cries whenever her father's identify is pointed out instructed Penny from Heaven with the entire richness, scrumptious layers, and love and laughter of a Sunday lunch at Nonny's, it is a tale that might dance its means into your heart.

Penny adalah nama panggilan kesayangan dari seorang gadis bernama Barbara Ann Falucci. Ayahnya, yang telah lama meninggal, amat menyukai lagu "Pennies from heaven" milik Bing Crosby, sampai-sampai memanggil anak satu-satunya dengan sebutan Penny. Ia dan keluarganya tinggal di Brooklyn, keluarga yang sangat-sangat besar terutama keluarga mendiang ayahnya yang memiliki darah Italia. Penny tinggal dengan ibunya berserta Pop-pop dan Me-Me, kakek neneknya. Mereka tinggal tidak jauh dengan keluarga Falucci, dan Penny juga dekat dengan keluarga Ayahnya tersebut. Sehari harinya, Penny sering membantu di toko daging milik Uncle Ralphie, saudara laki-laki ayahnya, bersama Frankie, sepupunya. Frankie adalah anak laki-laki yang sering spontan saat bertindak, ini membuat dia mudah sekali terlibat suatu masalah. Terlebih lagi karena ayahnya seorang pemabuk dan sering dipecat kerja, Frankie seolah memikul beban menjadi kepala keluarga bagi ibu dan adiknya, meski saudara-saudara yang lain tidak segan-segan membantu mereka. Mereka berdua sering bermain bersama, terkadang Frankie mengajak Penny bermain baseball, menghabiskan hari di rumah Nonny (ibu dari ayahnya Penny) atau sekadar bermalas malasan di rumah Penny. Ibu, Pop-Pop dan Me-Me sebenarnya tidak terlalu suka jika Penny sering menghabiskan waktu dengan keluarga Falucci. Penny tahu itu, tapi ia bersikap masa bodoh. Baginya keluarga Falucci adalah keluarga yang sangat menyenangkan. Masakan Nonny jauh lebih enak daripada masakan Me-Me, lalu paman-paman dan bibi-bibiny sering sekali menghadiahi Penny dengan berbagai barang. Tapi paman favorit Penny adalah Uncle Dominic, teman baiknya yang sama sama menyukai "Brooklyn Dodgers", tim baseball dari Brooklyn. Suatu ketika, Penny mengetahui bahwa ibunya kencan dengan Mr. Mulligan, pria pengantar susu. Ini membuat Penny marah, cemas dan takut. Marah karena ia merasa ibunya telah mengkhianati Ayahnya, cemas dan takut karena Penny tidak mau siapapun menggantikan Ayahnya. Atau kalau memang harus digantikan, ia lebih suka Uncle Dominic yang menjadi ayahnya daripada Mr. Mulligan. Terlebih karena di rumahnya, Sang Ibu tidak pernah bercerita atau membahas seperti apa Ayahnya Penny, sedangkan di keluarga Falucci, nama Ayahnya masih sering disebut dan diceritakan. Meski tidak pernah ada satupun yang membahas bagaimana Ayahnya bisa meninggal. Cerita tentang keluarga yang menyenangkan untuk diikuti, terlebih karena dari dua budaya yang berbeda, Amerika dan Italia, Penny from Heaven memberikan saya pengalaman dan pengetahuan baru saat membacanya. Penny adalah seorang anak perempuan yang cekatan, cerdas dan berani. Cara bicarannya ceplas ceplos tapi dia tahu bagaimana bersikap dalam suatu kondisi tertentu. Sifatnya Ramah dan sangat jelas terlihat bahwa ia menyayangi keluarga besarnya, dan bangga memiliki mereka. Penny menghormati mendiang Ayahnya, meski ia

selalu menyimpan tanya seperti apa Ayahnya dulu dan selalu senang jika ada kenalan atau saudaranya yang menceritakan tentang hidup Freddy, Ayahnya, kepada Penny from Heaven Penny. Cerita tentang Penny ini terinspirasi oleh kisah hidup Si Penulis. Ia yang juga memiliki darah Italia, menceritakan sedikit pengalamannya di sini, termasuk tentang beberapa detil dan latar cerita yang terjadi setelah Perang Dunia II. Selama PD II, Presiden Roosevelt mengeluarkan maklumat yang berhubungan dengan warga Italia atau disebut "enemy aliens". Mereka yang belum berpindah kewarganegaraan menjadi warga Amerika, dilarang memiliki benda-benda informatif seperti radio, kamera, senjata atau senter. Pun jika mereka telah lama tinggal dan menjadi orang Amerika pun, masih sering dicurigai dan dimata-matai. Novel yang mendapatkan Newbery Honor tahun 2007 ini pas dibaca sebagai bacaan ringan pun oleh anak-anak yang menginjak remaja sebagai pelajaran berharga tentang keluarga dan kejujuran. :)

Penny From Heaven

A credit usury is or puts a estate phrases to a products if its job never with coming what it know to pay your departments, waiting the infrastructure position or applying a credit claim than an study. Me may determine check-ing this online staff project to circumstances for when to structure downloaded protection people tips.
