GHOST OF THE PAST Sunako's auntie, the landlady, misplaced her one real Perfect Girl Evolution Vol.19 (The Wallflower #19) love years ago, yet is loss of life particularly forever? while the landlady visits the mansion, Ranmaru, the infamous playboy, starts off to behave strange. In fact, he's behaving like the landlady's deceased husband. There's just one explanation: Ranmaru's been possessed through the ghost of the landlady's long-ago love. Now the landlady is able to spend a few caliber time along with her mate. yet wait—he's nonetheless Ranmaru at the outside. Kyaaaaaa! Includes specified extras after the story!

bad Sunako is stressed approximately her emotions for Kyouhei. She thinks he was once harassing her, so what does she do? She moves back! placing carrots within the nutrition (carrot is the nutrition Kyouhei despises the most). And all ultimately learned that Sunako sees in basic terms Kyouhei because the 'dazzling creature'. Why is that? Duh, simply because she is in love with him! The bankruptcy approximately Kyouhei changing into a 'housewife' used to be one other nice one. he's continually so rude, no longer being concerned approximately anything, and spot him being obstacle approximately dirtiness and stuff used to be surprising. In the anime i've got already felt sorry for Sunako's aunt and the dying of Darling. She was once a great deal in love with him, and nonetheless is (note aside: whilst Kyouhei admitted he hasn't ever been in love. Priceless! the expressions of the boys) MEH again, the bankruptcy of 'The Prince and the Princess'. until eventually now, it's not that i am capable of take into account her name, she is so dull. supply me a few Kyouhei-Sunako or Takenaga-Noichi instead, anytime.
