Richard Pérez

"Richard Perez has the ears of the angels—lend him yours."—Barry Gifford, author: WILD AT HEART, PERDITA DURANGO "Perez's is a thrilling expertise and his paintings is going a ways past so much of what's released today."—Henry Flesh, author: MICHAEL and the Lambda Literary Award-winner, MASSAGE----> PermanentObscurity.Com everlasting OBSCURITY: Or a Cautionary story of 2 Girls and Their Misadventures with Drugs, Pornography and loss of life through Dolores Santana (as advised to Richard Perez) \* A younger bohemian satire, \* a narrative of alienated nonconformists, \* a "girls at the lam" story, \* a sexploitation and S/M romp, \* a spoof of cult star and "true-life" tabloid sensationalism: PERMANENT OBSCURITY Inspired by means of the underground sexploitation motion pictures of the 1960s, this daring updating of the "roughie" subgenre and lampoon of auteur filmmaking principally occurs in long island City's East Village (circa the Bush era), and it chronicles the increase and fall of a distinct and extreme relationship. Dolores and Serena, chemically dependent, down-and-out artists got down to take regulate in their lives by means of creating a fetish-noir/femdom movie. Of course, issues do not precisely end up as planned. "Ready-made for Russ Meyer—assuming, that is, if Meyer used to be round and nonetheless at his peak."—Josh Alan Friedman, author: stories OF instances SQUARE, whilst intercourse used to be soiled "The American Baise-Moi!"—Lynn Breedlove, author: GODSPEED~~~~~:----> "Notebook" for the novel: PermanentObscurity.com----> See my classic magazine/book assortment correct NOW: RichardPerez.net Richard Perez's everlasting OBSCURITY on Amazon > <http://www.amazon.com/dp/0971341540>~~~~~

~blurb~ "My blood. scorching and red." while everlasting Obscurity's protagonist, Dolores, makes this statement, we are not yet simply which resource of blood she's referring to. Ready-made for Roger Avary or Robert Rodriguez, Richard Perez takes us on a blackly comedic romp that may have us laughing, gagging and crying in ordinarily equivalent degree as we frenetically flip the pages. thank you for now not pulling these punches, Mr. Perez; ny noir hasn't tasted this clean in years. ~full review~ "You larger realize this fact. individuals are complicated." -- Dolores Ah, Mr. Perez. i started everlasting Obscurity, my first actual Richard Perez read, with a type of jaded hopefulness; there has to be countless numbers of writers of post-90s, post-Giuliani noir in NYC alone. As a minor armchair gourmand of hip-noir fiction and film, i have been subjected to many; "derivative" is a type work; "sucks," extra apt. I was once no longer heartened by way of the 1st few pages. They have been redolent of an analogous form of faux-gritty first-person conversation you will find simply in Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death any fiction part on your neighborhood indy bookstore; i assumed i used to be in for a disjointed, self-indulgent romp related to predictable intercourse and crimes of ardour by the hands of Serena and

Dolores, the book's 20-something major characters. the actual fact is, having complete the book, I nonetheless have no idea Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death no matter if the performed verbiage initially was once on purpose, as opposed to Perez making an attempt too hard. It did not actually matter by means of web page 10, though. Somehow, i used to be by surprise at the fast-track to being hooked. even if it used to be my sudden, gentle sexual arousal, the deepening complexity of the characters, or the addictive, stream-of-consciousness prose, i am not sure. So, after having lamented simply mins past that the ebook was once going to probably be mediocre at best, i used to be on web page 169 – how the hell did i am getting there?"We have to recognize our personal selfishness, too, and get it over with. Repeat after me: i'm selfish, i'm cruel." -- DoloresFor one thing, i used to be overjoyed male writer may well grok a woman's POV so handily. All 20-something girls are insane (this incorporated me). we are too younger to grasp tips on how to use our Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death sexuality, and we are nonetheless experiencing the final vestiges of adolescence; too horny for our own, insecure goods. No sincere girl has ever no longer been in charge of the type of situation that Dolores Santana, the book's protagonist and narrator, speaks of whilst she laments, "And, with out even trying, i discovered one million how you can damage him... we have to recognize that, ok? recognize our internal bitch." at the very subsequent Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death page, Perez describes the connection among Serena and Dolores over the process approximately 12 hours: "And I went as far as to break a framed portrait of Serena," Dolores informs us, "one that I took at CBGB, at the Bowery. tomorrow Serena known as me, and we went procuring together."An quarter of development for Perez may well lie in smoother transitions concerning the fun, if horrifying, coincidences which are a trademark of noir. i have been to NYC for live shows and buying (and highway food; let's be honest) over the years, yet have by no means lived there; i started thinking, "Hey, probably humans do consistently run into random buddies a number of occasions in line with day!" some of the "chance Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death meetings" can have performed with a section extra lube – uh, Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death back-story."It's only a game. Be cruel. Have fun!" -- Serenal used to be a bit disillusioned as i started noticing that no lady personality had any type of depth, or built feel of morality; the women, all knee-jerk, emotional egoists -- from Dolores' mamma, to Serena's ex-lover, to Dolores' ex-boyfriend's new flame, and others in-between. Permanent Obscurity: Or a Cautionary Tale of Two Girls and Their Misadventures with Drugs, Pornography and Death not anything says a narrative has to contain a minimum of one nice female; but, being too analytical for my very own good, i started to wonder whether Perez' own emotions in the direction of girls have been showcased, inadvertently. In fact, Perez lead me on till the tip of the book, while plenty of cool issues got here jointly to provide us our doubtful denouement; we do have girl redemption, i am satisfied to report. (Don't worry, notwithstanding – you will nonetheless get your unsettling ending!)"Well, for fuck's sake, we could have to observed it off!" -- SerenaThe finish of the booklet contained parts that have been as enjoyable because the ideal black comedy noir film; imagine Killing Zoe, Curdled, Very undesirable Things, residence of Yes; enjoyed it! What a romp. those scenes have been virtually as amazing as Mr. Perez making introductions among the be aware "clitsy," and myself."She must've used 500 toes of nylon recycling twine, which, for a few reason, jogged

my memory of spider's silk." -- DoloresSo... simply what is the ebook about? like all sturdy noir, the canopy and back-blurb are all you must know, my precious. Enjoy. ;) {{goes to obtain Bound}}"My blood. sizzling and red" -- DoloresCraving papas rellenos,m
