# Peter Schlemihls wundersame Geschichte

Adelbert von Chamisso

Adelbert von Chamissos 1814 erschienene phantastische Erzählung 'Peter Schlemihls wundersame Geschichte' handelt von einem sanften, weltfremden Jüngling, der einem rätselhaften Mann in einem grauen Rock seinen Schatten verkauft. Er ist jedoch außerstande, den so erworbenen Reichtum zu genießen, da er von den Menschen verstoßen oder verhöhnt wird, sobald sie merken, dass er Peter Schlemihls wundersame Geschichte keinen Schatten hat. Als eine paintings Buße durchwandert Peter Schlemihl die Welt mit Siebenmeilenstiefeln und erforscht die Natur. Die Erzählung in Briefform, in der zahlreiche rationale und Elemente aus den Bereichen Märchen und Sage verarbeitet sind, ist so angelegt, dass der fiktive Peter Schlemihl seinem "Freund" Chamisso seine Geschichte erzählt; er spricht als Ich-Erzähler den Autor immer wieder direkt an und verleiht den Berichten dadurch Unmittelbarkeit und Echtheit.

Peter Schlemihls wundersame Geschichte Als ich vielleicht elf Jahre alt war, sah ich im Sonntagvormittagsprogramm der ARD einen Fernsehverfilmung von Chamissos Geschichte über den verkauften Schatten. Seitdem spukte der Gedanke in meinem Hinterkopf, das Buch doch mal lesen zu müssen. Warum ich's als type oder Jugendlicher nicht getan habe, weiß ich nicht. Als Erwachsener hat guy ja zwar immer Besseres zu tun, als Hokuspokus-Bücher zu lesen, aber die Autoren der Romantik waren mir eigentlich immer Peter Schlemihls wundersame Geschichte lieb gewesen. Das letzte dieser Gattung muss ich aber auch vor zehn Jahren in den Händen gehalten haben. Also, der Einstieg ist schon mal nicht üblich. Der Autor Chamisso korrespondiert Peter Schlemihls wundersame Geschichte mit anderen realen Autoren seiner Zeit über den (fiktiven) Ich-Erzähler Schlemihl. So distanziert er sich einerseits vom Werk, andererseits kann er Peter Schlemihls wundersame Geschichte so einigermaßen glaubhaft einen Ich-Erzähler haarsträubende Geschichten erzählen lassen. Eco meint in der Nachschrift zum „Namen der Rose“, guy müsse nur genügend Schichten zwischen sich und dem fiktiven Stoff schieben (In seinem Buch sind es drei oder vier.). Machen das amerikanische Autoren auch? Ich kenne es nur von Europäern. Sind die zu sehr in der Romantik des 19. Jahrhunderts gefangen? Chamisso nimmt sogar seinen Kollegen E.T.A. Hoffmann aufs Korn, der habe in „Abenteuer der Silvesternacht“ das Motiv des verlorenen Schattens nur variiert. Die Geschichte nimmt sehr flott ihren Lauf. Schlemihl verkauft seinen Schatten an einen „grauen“ Mann und erwirbt dafür ein Säckel, in das er nur zu greifen braucht, um alles Gold zu haben, was once er will. Aber noch bevor er seinen Reichtum genießen kann, verbreitet er wegen seines fehlenden Schattens Schrecken unter den Menschen. Die Reaktion der Leute ist für mich der eigentliche Witz an dem Buch. Sie fragen sich nicht etwa, wie das überhaupt möglich ist, auch bezichtigen sie ihn nicht der Zauberei oder Ähnlichem; sie halten es für eine Schande! Vielleicht so wie eine obszöne Tätowierung, ein verkaufter Penis oder ein Schandmal. guy meidet ihn, guy redet über ihn, er muss die Stadt verlassen. Und als es ihm gelingt, sich mit einer Handvoll methods an die schöne Mina heranzumachen, ohne dass sie seinen fehlenden Schatten bemerkt. Als ihr Vater es dann herausfindet, löst er die Peter Schlemihls wundersame Geschichte Verlobung auf. Es ist wie ein bizarrer Witz: Die Art, wie über den Schatten, das Schattenhaben Peter Schlemihls wundersame Geschichte usw. geredet wird wirkt, als lebten die Menschen in einer Parallelwelt, in der dem Schatten eine andere Bedeutung zugemessen

---

wird, die weder wir noch Schlemihl erahnen können. Als Schlemihl an diesem Tiefpunkt angelangt ist (übrigens ist er andauernd an Tiefpunkten und weint wie eine Heulsuse), taucht der Graue wieder auf und bietet ihm den Schatten im Gegenzug zu seiner Seele an. Schlemihl lehnt ab. Und nun beginnt die Handlung Peter Schlemihls wundersame Geschichte unmotiviert zu mäandern. Schlemihl versucht's mit einer Tarnkappe, die wieder abhandenkommt, dann mit Siebenmeilenstiefeln, mit denen er die Welt – Geographie, Flora, Fauna – erkundet und Pflanzen kategorisiert (Er erweitert die Liste der Arten um ein Drittel), aber es wirkt ziellos und bedeutungslos. Das pace des Hin-und-Her, als er aus der Arktis in die libysche Wüste und von dort in die Wälder flieht, quick wie eine Parodie. Im letzten Drittel des Buchs taucht das Thema des Schattens kaum mehr auf. quickly scheint es, als Peter Schlemihls wundersame Geschichte habe sich Chamisso selber narrative Siebenmeilenstiefel angezogen, um vor der angefangenen tale zu flüchten, die nur noch wenig capability zu haben schien. Dabei ginge es auch anders: Stevenson zeigt in „Der Geist in der Flasche“, wie das Märchenhafte überhört werden kann. Keawe verkauft dort am Ende seine Seele aus Liebe dem Teufel. Schlemihl ist dann einfach ein zu braver, schablonenhafter Character. Sprechende Namen: Schlemihl, so weiß Wikipedia, kommt vom jiddischen "Schlamassel". Und aus dem Schlamassel kommt Schlemihl, der übrigens, als er vollbärtig und hilflos im Spital liegt, für einen Juden gehalten wird, nicht mehr heraus. Warum heißt eigentlich „Lefty the salesman“ in der deutschen model Schlemihl? Sollte durch den Namen das Stereotyp des Juden als nicht ganz vertrauenswürdigen Händler reproduziert werden? Raskal - der Schurke. Das Bild des grauen Mannes, der ja wohl der Teufel sein soll, schwimmt. Als Schlemihl es ablehnt, seine Seele zu verkaufen, heftet er sich an seine Füße und fängt an zu nerven. Es erinnert an den Kurzfilm „horribly sluggish murderer“, aber es nimmt dem Teufel natürlich das Diabolische, wenn er seinem Opfer (letztlich erfolglos) hinterherrennen muss. „Ein reicher Mann, wie Sie, braucht einmal einen Schatten, das ist nicht anders“, bequengelt der Teufel Schlemihl. In gewisser Weise ähnelt das Motiv auch Timm Thaler, der sein Lachen verkauft, das die Reichen brauchen, um Einfluss gewinnen zu können. Dort aber ist der Teufel dämonischer und diabolischer, hier nur ein bettelnder Plagegeist. Der Held weint übrigens auf jeder dritten Seite. Schlimmer als in den Liebesgeschichten der 1001 Nächte.
