# Philosophy And Biblical Interpretation: A Study In Nineteenth Century Conflict

Peter Addinall

This examine explores the character of the clash among technological know-how and religion. It exhibits via an in depth exam of this clash because it used to be manifested in 19th century Britain that it's a fallacy that faith and technology can co-exist in mutual harmony, because the legacy in their clash some time past century has been inherited by means of this century, enormously to the detriment of spiritual belief. it's the author's competition go back to the necessities of Kant's severe philosophy may lay naked the profound modifications among spiritual and medical techniques to the world, and the character of the alternative humans could make among them. In his attempt to demarcate the outlines of a real Biblical theology (and to articulate the right kind strategies for generating one) the writer casts gentle on vital questions of Biblical interpretation, and calls for an intensive reassessment of the which means of technological know-how for society.

## Philosophy And Biblical Interpretation A Study In Nineteenth Century Conflict
