Place de la Bastille by Leon de Winter

Leon de Winter

Absichtlich bringt er sich an den Rand eines physischen Zusammenbruchs, um Erinnerungen an die Vergangenheit zu vernebeln. Wie ein Süchtiger gibt sich Paul de Witt Nacht für Nacht tröstenden Place de la Bastille Fernsichtsbildern hin und trotzdem beschäftigt ihn eine Frage pausenlos: Warum mussten seine Eltern sterben -- damals in Auschwitz? was once bedeutet Kausalität oder ist nicht doch alles Zufall? Wenn Paul schon nicht die Geschichtsschreibung einer Änderung unterziehen kann, so tut er es wenigstens in seiner eigenen fiktiven Geschichte. Seit Jahren schreibt er über die misslungene Flucht Ludwigs XVI. nach Varennes während der französischen Revolution. In seiner model gelingt sie, denn das hätte alle folgenden Geschehnisse beeinflusst -- vielleicht wäre Auschwitz dann niemals Realität geworden? Pauls Frau will seiner Rastlosigkeit nicht länger zusehen und überredet ihn, erneut in Paris über Ludwig XVI. zu recherchieren. Sie ahnt nicht, dass es dort für Paul eine Frau gibt, die ihm tatsächlich Ruhe zu schenken vermag. Sie weiß auch nichts von dem Foto, das Paul bei seinem letzten Parisbesuch auf der position de l. a. Bastille von seiner jüdischen Geliebten Pauline geschossen hat und das Pauls Gedanken nicht mehr loslässt. Er meint nämlich einen Mann im Hintergrund zu entdecken, der ihm selbst ungewöhnlich ähnlich sieht. Könnte das sein verloren geglaubter Zwillingbruder sein? Um das herauszufinden bleibt ihm nichts anderes übrig, als auf eine speedy hoffnungslose Suche zu gehen ... Feinfühlig beschreibt Leon de Winter in position de l. a. Bastille einen verzweiferten Mann, verfolgt vom Schicksal seiner jüdischen Eltern. Diese Thematik ist für de Winter-Leser nichts Neues, zieht sie sich doch durch das Gesamtwerk des niederländischen Schriftstellers. Allerdings ist die Umsetzung in position de los angeles Bastille -- die Originalausgabe erschien bereits 1981 -- weit weniger überzeugend als in späteren Romanen. Dennoch -- der Roman gewinnt sicherlich durch ungeahnte Wendungen und geniale Beobachtungen! --Fenja Wambold

Interessanter Hauptstrang in diesem recht kurzen Roman: Die Zufälligkeit der Weltgeschichte as opposed to ihrer Zwangsläufigkeit. Und das auf 2 Zeitebenen: der gescheiterten Flucht Louis XVI nach Varennes und dem Holocaust.

Place De La Bastille

Still, you need each list the insurance one that will take you an of your wasting pdf. Actually, that you are, are when they can remember it to be as.
