

Prehistoric Britain from the Air by Janet Bord

Janet Bord

a powerful aerial survey Prehistoric Britain from the Air of the relics of historical Britain and a desirable exploration of the secret and legends surrounding them. that includes one hundred

thirty five colour photos. The panorama of England abounds within the haunting lines of prehistoric man: neolithic henges, Bronze Age stone circles, nice hill forts of the Iron Age. Visible from the infrequent viewpoint provided in Jason Hawkes' dramatic aerial photographs, the websites and structures--from Prehistoric Britain from the Air Stonehenge to the Uffington White Horse--take on new significance. Combining the archaeological records, Janet and Colin Bord decode the myths and legends of the traditional past; in addition they clarify how every one web site was once used, reconstructing the dwelling styles of early man. Jason Hawkes' many books comprise Kingdom Homes from the Air, Britain from the Air, and Provence (with Peter Mayle). Janet and Colin Bord are the authors of Mysterious Britain, A Consultant to Historic Websites in Britain, and Earth Rites. A hundred and sixty pp 10 x eleven 0.5 a hundred thirty five colour photographs
