# **Prelude to Nuremberg: Allied War Crimes Policy and the Question of Punishment**

Arieh J. Kochavi

among November 1945 and October 1946, the foreign army Tribunal in Nuremberg attempted one of the most infamous political and armed forces figures of Nazi Germany. during this book, Kochavi demonstrates that the guidelines ultimately adopted, together with the establishment of the Nuremberg trials, represented the fruits of a classy technique rooted within the family and foreign politics of the conflict years. Drawing on broad learn in either united states and British archives, Kochavi painstakingly reconstructs the existing attitudes and constraints that avoided a joint coverage on struggle crimes from being followed by means of the Allies throughout the struggle and exhibits how concerns of Realpolitik ruled the pondering in either Washington and London. unlike prior works, *Prelude to Nuremberg: Allied War Crimes Policy and the Question of Punishment* this booklet additionally examines the jobs of the Polish and Czech governments-in-exile, the Soviets, and the United international locations warfare Crimes fee within the formula of a joint coverage on struggle crimes, in addition to the impartial governments' stand at the query *Prelude to Nuremberg: Allied War Crimes Policy and the Question of Punishment* of asylum for battle criminals.
