Presidents & the Presidency: Essays by Stephen Hess

Stephen Hess

This ebook features a choice of Stephen Hess's most sensible essays at the presidency. Written over a 15 12 months period, the essays chosen are only as correct this day as once they have been first published. Each one essay says anything valuable in regards to the place of work of the presidency or a particular president. The ebook includes: " Presidential Qualities, " initially released whilst Richard Nixon was once president, addresses the features we should always Presidents & the Presidency: Essays by Stephen Hess wish in a first-rate government whether or no longer we trust him. " Why nice males usually are not selected Presidents: Lord Bryce Revisited" asks no matter if adjustments within the strategy in which we Presidents & the Presidency: Essays by Stephen Hess decide upon presidential applicants could bring about other kinds of individuals looking office. " towards a extra sensible Presidency, " written after Watergate, rethinks the best function of the president and gives a task description.
