# Proclamation of the Gospel for the Salvation of Humankind

Catherine Gunsalus González

invitations readers to discover the consequences of proclaiming the gospel. Proclamation of the Gospel for the Salvation of Humankind Gonzalez continues that 'to be a congregation prepared and ready to proclaim the gospel for the salvation of humankind is to be the church in its interesting fullness.

This small little booklet of simply ninety six pages is a gem, written by means of Dr Catherine González professor Emerita at Columbia Theological Seminary. She has written various different books, a few along with her husband, Rev Dr Justo González. during this little book, she so thoroughly pinpoints a number of the issues of the church's personal proclamation of the gospel, diagnosing and setting apart matters comparable to individualism, confusion concerning the church's message, difficulties of authority and Biblical literacy, simply to identify a few. Then turning to clarifying the message itself, she provides Proclamation of the Gospel for the Salvation of Humankind a succinct argument and rational in addition Proclamation of the Gospel for the Salvation of Humankind to a version for a necessary congregation trying to strive against with what it skill to proclaim desire and salvation in state-of-the-art culture. With research questions after every one chapter, this booklet in a brief period of time will get to the center of the matter, mentioning questions which are on the middle of the church's project to proclaim the Gospel for the salvation of humankind. it is a needs to learn for somebody attractive the query of the church's mission, and the character of the Gospel. very good for learn groups.
