

A Psychological Study of the Adult Struggle with the Paradise of Childhood

Puer Aeternus

Marie-Louise von Franz

Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87)

Marie-Louise von Franz

From again cover: MARIE-LOUISE von FRANZ is renown [sic] within the box of analytical psychology. a local of Munich, she has spent such a lot of her lifestyles in Zurich the place she labored without delay with C.G. Jung for almost thirty years. She was once one of many founders of the jung Institute in Kusnacht, Switzerland, and is at the moment an analyst there. A proficient and prolific writer, von Franz travels extensively, lecturing on her works and Jungian psychology. Anticipating the present curiosity in what's popularly known as the "Peter Pan" syndrome, Puer Aeternus ("eternal child") is von Franz's vintage learn of the formative years inside of us, immune to dedication in paintings or relationships and not able to fully abandon the desires and fantasies of adolescence. Von Franz exhibits how this infantile innocence can thwart our self-actualization and doom Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) us Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) to adolescent delusions and provisional living. Through an research of Saint-Exupery's *The Little Prince* and Bruno Goetz's state with no Space, von Franz explores the adverse power of the puer and its relation to the mum complex, Don Juanism, and homosexuality. Above all, she is helping either women and men realize this element and harness and concentration its strength productively. "After interpreting Puer Aeternus and searching round on the males I know, pals and acquaintances, i could not aid seeing reflections in all places of Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) what von Franz observed. Trapped in dreamy adolescence, afraid to depart the paradise of childhood: that looked as if it would describe loads of them... [This book] is proper to any attempt at making experience of this Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) problem." —David Hellerstein, *Esquire* [Previous description: El término latino puer aeternus, que significa infancia o juventud eterna, se le atribuye al niño-dios Yaco en las Metamorfosis de Ovidio. Posteriormente, el niño-dios se identificó con Dionisos y el dios Eros. En los angeles psicología junguiana, el término puer aeternus se utiliza comúnmente para describir cierto tipo de hombre: encantador, afectuoso, creativo y siempre en pos de sus sueños. Se trata de hombres que siguen siendo adolescentes incluso en los angeles edad madura, generalmente llenos de vida, pero que agotan extrañamente a quienes les rodean. Hemos trabajado con ellos, les hemos amado y les hemos visto decirnos adiós. Este estudio clásico, basado en una serie de conferencias que los angeles doctora junguiana Marie-Louise von Franz pronunció en el Jung Institute de Zürich, ha tenido una influencia extraordinaria en l. a. psicología contemporánea. Se trata de psicología junguiana en su tonalidad más terrenal y realista, formulada con un rigor y una profundidad extraordinarias. Esta nueva edición incluye además una Bibliografía y un Índice onomástico muy completo.]

What the hell did I simply read? My first touch with Von Franz used to be via documentaries and that i needs to say, she intimidated me deeply. I refrained from her books for it slow considering she might over complicate issues yet rattling i used to be so wrong. She is fantastic explaining issues in a concise, direct and intensely transparent manner. The subject, puer aeternus or peter pan advanced is whatever that stuck my consciousness a few years in the past and used

to be revived through a contemporary come across with the last motion picture (forgot from when). It wasn't a simple read, my publication is totally marked and highlighted that's whatever really unusual for me to do. tricky no longer for the phrases however the topic calls for digestion and understanding end result of the ardour and interest that glint from it. to appreciate it higher I needed to learn a few fabric that is pointed out (special point out to Werther from Goethe) that helped realizing the immature nature of the Puer. In the top I'd suggest this ebook to someone that spends an excessive amount of time inside of their heads and fight to house existence (like myself). The Jungian terminology is ever current yet Von Franz is helping understanding it in a really natural method and as so much books from the Jungian present it isn't self help, you will not be "healed" from the neurosis by way of examining yet you are going to certainly get Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) a few very deep and passionate insights concerning the Puer condition.

Puer Aeternus Studies Puer Aeternus (Studies in Jungian Psychology by Jungian Analysts #87) In Jungian Psychology By Jungian Analysts 87
