# Quantum Angels and Other Spacetime Anomalies

Pierre Chevalier

The poetic choices during this quantity mirror the author's options on various angels together with beings, so-called genuine in addition to so-called imaginary, the writer has individually encountered in the course of his lifetime. Others choices think about the author's experiences, actual and imaginary, in regards to the notion of angels. a Quantum Angels and Other Spacetime Anomalies number of the angel verses in those decisions are in keeping with astrological/planetary attributions and, consequently, mirror Greek, Roman, Qabalistic and Christian mythologies. Others are merely speculative and factor from the author's imagination. many of the verses during this poetic choice reflect on the author's inventive perspectives of assorted philosophies, psychologies, cosmologies and quantum physics. 11 of the 84 verses additionally look within the author's prior work, Tarot: Poetic Revelations and different Verses.

## Quantum Angels And Other Spacetime Anomalies
