Queen's Court

A Novel

Queen's Court by Edward O. Phillips

Edward O. Phillips

Louise Bingham, lately widowed and sufficiently well-off, makes a decision to depart stuffy outdated Victoria and circulation again to Montreal. Into her mid-sixties, she has determined to play the tape backwards and revisit the chums and relatives she left at the back of decades earlier. Newly put in in a downtown co-op, she has to fend off a well-meaning yet officious cousin, an over-bearing Queen's Court (and very likely criminal) neighbour, and a former lover all whereas making discoveries approximately herself and her merely son through a former marriage. advised in a breezy tone with nice solid humour (you'll chuckle on each page) Queen's courtroom is classic Edward O. Phillips the Oscar Wilde of Canada, in line with The Globe and Mail and his readers could be greater than overjoyed that he has a brand new publication out.

This pleasant novel follows Queen's Court Louise Bingham as she settle into existence in Montreal after relocating again there from Victoria after her husband died. She connects back along with her cousin Diana, yet concerns approximately Diana counting on her an excessive amount of for company. She additionally reconnects with a prior lover, and recalls why she ended the relationship, whereas no longer inevitably discarding destiny possibilities. In her new apartment, she unearths the neighbour around the corridor a section choked with himself and has suspicions approximately his motives. whilst her son, Craig, involves visit, her provides to the combo and she or he discovers she fairly does not be aware of him that well. I particularly loved this pleasing book.
