Race After Sartre: Antiracism, Africana Existentialism, Postcolonialism

Jonathan Judaken

Race after Sartre is the 1st ebook to systematically interrogate Jean-Paul Sartre's antiracist politics and his principally Race After Sartre: Antiracism, Africana Existentialism, Postcolonialism unrecognized contributions to serious race theories, postcolonialism, and Africana existentialism. The participants supply an summary of Sartre's Race After Sartre: Antiracism, Africana Existentialism, Postcolonialism positions on racism as they replaced in the course of the process his life, delivering a coherent account of a few of the ways that he understood how racism will be articulated and opposed. They interrogate his a number of and influential works at the topic, and his insights are applied to evaluate a few of this day's racial quandaries, together with the November 2005 riots in France, typhoon Katrina, immigration, affirmative action, and reparations for slavery and apartheid. The participants additionally think about Sartre's impression upon the rebel antiracist activists and writers who additionally walked the roads to freedom that Sartre helped pave."

very insightful essays during this assortment through comrades/colleagues:"European Intellectuals and Colonial Difference: Césaire and Fanon past Sartre and Foucault"by George Ciccariello-Maher"Skin for Sale: Race and The Respectful Prostitute"by Steve Martinot
