Reflecting Narcissus: A Queer Aesthetic

Steven Bruhm

Literary Theory/Gay reviews locations this mythological determine on the heart of homoerotic creativity and desire. The determine of Narcissus, actually falling for himself, has profoundly stimulated Western philosophy and literary theory: he indicates transcendental idealism and its nemesis, vanity; he underlies autoeroticism and misogyny; he has a vital position in poststructuralist French thought. Yet, for all this, Narcissus is never if ever visible in his fundamental attitude-as a guy erotically wanting one other man. In *Reflecting Narcissus*, Steven Bruhm strains the advanced makes use of of Narcissus in cultural and aesthetic formulations from the eighteenth century to the current and returns Narcissus's crucial homoeroticism to a vital position during this history. Extending the horizons of queer, feminist, and psychoanalytic theory, this ebook demanding situations the 20th century's fundamental realizing of narcissism-and the predominantly narcissistic traits of male same-sex desire-as allegedly solipsistic, immature, sterile, antisocial, and apolitical. Bruhm argues that Narcissus has, instead, served to bother the very cultural and gendered norms that outline him. whereas aesthetic theories due to the fact Romanticism and sooner than have exploited the wanting gaze of Narcissus, they concurrently deny his homoeroticism. And yet, Bruhm argues, those aesthetics rely on the very queerness they silence, instilling a vague-and consequential-discomfort a couple of gay Narcissus in discourses from Neoplatonism and psychoanalysis to that of queer cultural construction itself. Our culture, Bruhm contends, mutes the narcissistic eros that it sarcastically is dependent upon for the paintings of introspection. He unravels this *Reflecting Narcissus: A Queer Aesthetic* challenge in texts from Oscar Wilde's photograph of Dorian grey to Vladimir Nabokov's faded *Invitation of a Small Guest*, from Tennessee Williams's by surprise final summer time to Peter Straub's *Ghost Story*, from Schlegel's *Reflecting Narcissus: A Queer Aesthetic* sonnets to pornography and the gothic, from Decadence to French feminism, from Symbolism to psychoanalysis. This booklet unearths how Narcissus, whereas producing representations of inventive masculinity, destabilizes them on the *Reflecting Narcissus: A Queer Aesthetic* comparable time-offering us an exhilarating new buy on phallogocentric identity, its art, and its politics. Steven Bruhm is affiliate professor of English at Mount St. Vincent college in Halifax, Nova Scotia. Translation Inquiries: collage of Minnesota Press
