# **Resilience: Learning Resilience: Learning from People with Disabilities and the Turning Points in Their Lives from People with Disabilities and the Turning Points in Resilience: Learning from People with Disabilities and the Turning Points in Their Lives Their Lives**

Gillian A. King

This quantity brings to lifestyles the character of resilience and model to alter by way of describing turning points, or serious experiences, within the lives of individuals with disabilities. individuals with cerebral palsy, spina bifida, or recognition deficit affliction are interviewed. They describe occasions and reviews that modified their lives and pinpoint which elements helped or hindered their adaptation. Interweaving those compelling tales with renowned inspiration and study evidence, the authors express how realizing the resilience of individuals with disabilities will help all readers create which means in lifestyles and develop into resilient. Rich in own detail, but powerful Resilience: Learning from People with Disabilities and the Turning Points in Their Lives in its presentation of educational literature and different non-fiction works regarding resilience, this quantity will attract a wide selection of readers, from those that ask yourself in regards to the which means of life, to the fogeys of youngsters with disabilities and corporations that carry prone to them, to scholars and professors within the fields of psychology, education, social paintings and occupational therapy.

This publication is repetitive and never very helpful. the most thesis of the booklet is that we discover which means in existence via belonging, doing, and realizing ourselves and the area round us. Which feels like an obvious, trite, Resilience: Learning from People with Disabilities and the Turning Points in Their Lives and floor declare and regrettably the two hundred pages of the e-book don't do something so as to add intensity to it.

## **Resilience Learning From People With Disabilities And The Turning Points In Their Lives**
