Reunion in Barsaloi by Corinne Hofmann

Corinne Hofmann

In a sequel to her overseas bestseller *The White Masai*, Corinne Hofmann keeps her own account of a white girl in love with a Masai tribesman in distant Kenya. Fourteen years after fleeing along with her child daughter, Corinne lower Reunion in Barsaloi back to Kenya in the summertime of 2004 to reunite with Lketinga and his relatives of their village, Barsaloi. Reunion in Barsaloi worried and unsure as to how he could react on seeing her again, she came upon to her aid that she used to be welcomed unreservedly via all who remembered her Lketinga, who nonetheless considered her as his number 1 wife; his brother James, now a schoolteacher; and particularly Lketinga's mother, who had sorted Corinne with such care all these years before.

Am ales în această seară să vă scriu despre al treilea volum *Reunion in Barsaloi* scris de Corinne Hofmann, apărut în Editura ALFFA în anul 2008. „Revedere în Barsaloi”, face parte din colecția de „Cărți adevărate”, exemple de viață, cărți care te remontează după ce le citești și îți schimbă modul de a gândi și visele. Cartea „Revedere în Barsaloi” descrie revederea Corinei Hofmann cu familia africană, după 14 ani, de la plecarea în Elveția cu fiica, Napirai, din cauza geloziei și a comportamentului inuman de care a dat dovadă, soțul ei, masaiul Lketinga. Acest volum te surprinde prin transformările care au avut loc în Kenya: drumuri noi, benzinării, magazine, electricitate, apă potabilă. Începe despre tradițiile tribului samburu și află că nu există căsătorie din dragoste, povestea dintre o femeie albă și un războinic masai, fiind o excepție de la aceste reguli. Sunt descrise atât de bine dansurile în lumina lunii, în care masaii sar, bat din picioare, iar sunetul bijuteriilor de la gâtul femeilor se aude până departe, încât vrei să ajungi acolo să-i cunoști, să le admiri costumele și culorile. Corinne revine la Barsaloi pentru a realiza un documentar pentru fiica ei, Napirai, surprinzând pe o peliculă emoțiile revederii cu James, Lketinga, Mama și cei dragi. După 14 ani, James, fratele masaiului, nu este altul decât directorul unei școli la Los Angeles câțiva km de Barsaloi, școală vizitată de autoare. James este căsătorit are doi copii și se bucură de faptul că poate merge, măcar o dată pe săptămână, cu motocicletă. Această descriere m-a emoționat și m-a determinat să cumpăr cărți de colorat și culori pentru copiii din Barsaloi pentru a le trimite de Sf. Pați, pentru a se bucura de ele, în manyatta. „Toată mândria directorului este o bibliotecă mică, cu câteva cărți. Copiii își pot lua de acolo o carte, pe care o citesc într-o sală goală și simplă. Bineînțeles, cărțile nu le pot lua acasă, pentru că în manyatta, din cauza fumului, se strică.” Când parcurgi câteva pagini și descoperi întâlnirea dintre cei Corinne și Lketinga, îți dau lacrimile. Și faci acest gest, involuntar. Ții deja, că tradiția lor spune că plângi doar dacă moare cineva. Noi, europenii suntem sentimentali în astfel de momente. De asemenea, ții că la Los Angeles samburu nu se obișnuiește să iei în brațe cu exuberanță pe cineva. *Reunion in Barsaloi* În astfel de întâlniri, ei privesc serios, nemișcați în gol. Nu îți exteriorizează sentimentele, așa că Lketinga o așteaptă pe Corinne lângă un copac, stând drept și mândru. Revederea cu Mama, care arată mai tânără după 14 ani, deși are câteva riduri, te va surprinde și tine, cel care citești „Revedere în Barsaloi”. Cartea aduce în atenție nu doar cultura, tradiția, ci și educația, sănătatea. Singura fată, în afară de Napirai, pe care Lketinga o are cu o altă soție este în vârstă de opt ani. Deși a fost introdusă obligativitatea de a merge la școală, cel care come to a decision este tatăl și pentru un masai războinic, care nu a avut parte de educație, faptul că vrea tot ce e mai bun

pentru fiica lui, o surprinde pe Corinne. Scrierea cărții „Îndrăgostit de un masai” și ecranizarea acesteia au adus familiei africane și deservicii, în sensul că mulți oameni au spus neadevărituri și au condamnat Reunion în Barsaloi viața autoarei. Pentru Corinne și Lketinga a fost o poveste de dragoste trită? I. a. maxim, deosebit din cauza culorii pielii și a culturii din care fac parte, dar împreună au avut curajul de a înfrunța bolile, sărăcia și persoanele străine. Această carte te ajută să înțelegi că în regiunea din Kenya este încă mult sărăcie, că organizațiile de sănătate, precum AMRF, cunoscut prin „Flying medical professionals”, fac eforturi ca acei oameni să fie tratați de bolile Africii. Pentru a sprijini și tu, cititorule, poți face donații pentru cele două proiecte: Barsaloi și Seserit sau te poți implica luând legătura cu Asociația Eine Welt Verein Kenianhilfe e.V.
