# Revenue and Reform: The Indian Problem in British Politics 1757 1773

H.V. Bowen

profit and Reform bargains a reappraisal of British imperial politics within the 3rd area of the eighteenth century. it's conventional to treat the 1760s as a time while British politicians have been preoccupied with the crises that at last ended in the outbreak of the yank warfare of Independence. during this book, however, it's the Indian challenge that's examined. Politicians struggled to return to phrases with the East India Company's unforeseen acquisition of territory and nice wealth in Bengal, they usually endeavored to formulate coverage relating to many new and unexpected issues. New mild is shed on debate approximately profit collection, territorial rights, diplomacy, justice, and administrative reform with a view to illustrate the relevant subject matter of the book: the slow and reluctant assumption of accountability by Revenue and Reform: The Indian Problem in British Politics 1757 1773 means of ministers for the Indian empire.

Thesis is a bit misplaced till you get to the conclusion. sturdy analysis. acquired misplaced a couple of times...economics and British politics is not my uniqueness (working on construction my wisdom at the political facet though). when you take his complete research and browse his end its transparent he has a robust argument, one that such a lot historians have neglected to appear at, as a substitute targeting Britain in the United States in this period. 3 stars, yet in basic terms simply because I lack adequate wisdom to appreciate this booklet better.
