Rhetoric, Royalty and Reality: Essays on the Literary Culture of Medieval and Modern Scotland

Alasdair A. Macdonald

This quantity comprises twelve studies, all facing features of the literature and tradition of Scotland throughout the heart a while and the Renaissance. almost all these contributions begun lifestyles as papers introduced at a global convention on that subject, held Rhetoric, Royalty and Reality: Essays on the Literary Culture of Medieval and Modern Scotland at Rolduc Abbey, The Netherlands, in 2002. a lot new mild is shed on canonical heart Scots writers: Alastair Fowler and David Parkinson, either on Gavin Douglas; David Moses on Robert Henryson; Ruben Valdes Miyares on William Dunbar. The essay via Rod Lyall, at the nameless 3 Prestis of Peblis, and that of Eleanor Commander, at the Originale Chronicle by way of Andrew Wyntoun, either light up unperceived features of famous fifteenth-century texts. either Janet Hadley Williams and Alan Swanson considerably strengthen our wisdom of the poet, Sir David Lyndsay. Women's contribution to tradition is the topic of the essays by way of Marguerite Corporaal (on poetry through Queen Mary Stewart and through Mary Beaton) and of Marie-Claude Tucker (on the calligrapher Esther Inglis). within the region of Scottish Gaelic literature and culture, William Gillies explores the connections among a prose story and poem with regards to the land of the Little People. within the ultimate study, Jamie Reid-Baxter contextualises and expounds a hitherto unknown Renaissance sonnet sequence, The Nyne Muses, via John Dykes. In all of the contributions during this quantity rhetoric and truth loom large; royalty, the 3rd time period of the title, is the ubiquitous ultimate parameter of tradition within the center a long time and Renaissance.
