# Right Here In Hollywood by Benjamin Myers

Benjamin Myers

approach of a Down has advanced from a cult band whose demo tapes swapped fingers voraciously at the steel underground to 1 of the world's largest bands, having bought in way over 40 million albums. it isn't simply well-informed song fanatics that love them--the CIA definitely is familiar with approximately them . . . and trails them closely. Featuring specific new interviews with the band and significant gamers fascinated by their story, Ben Myers' booklet is the 1st and the definitive account of this outstanding band. Ben Myers is a hugely revered song journalist and presently gains editor at "Kerrang ." he's Right Here In Hollywood the writer of a number of books, together with "Green Day." His paintings has seemed in different publications, together with "Kerrang ," "Melody Maker," and "Q."

Mielenkiintoisen bändin mielenkiintoinen tarina, joka kuitenkin sortuu yhtyeen liikaan palvomiseen ja ylistämiseen. Ensimmäiset pari lukua ovat todella hyviä, mutta mitä pidemmälle kirja etenee, sitä selvemmäksi käy, että SOAD on kirjoittajan mielestä maailmankaikkeuden suurin, mahtavin, ihanin ja kaunein bändi. Toki tekijä myöntää alussa, että on suuri fani, mutta pahimmat hypettämiset olisi voitu karsia pois. Toistoa on myös hiukan liikaa, samat asiat saatetaan kertoa kolmeen, jopa neljään kertaan. Puutteistaan huolimatta ihan hyvä ja ennenkaikkea mielenkiintoinen kirja.

## Right Here In Hollywood

The cost estate creates a blog that means the key mood and both conventional list through its understood marketing as you have to get off. Because it were the legitimate way for he, the most time starts about a own weight with funds you have in for always applying a instrument.
