AND ANOTHER LADY

Sanditon: Continued and Completed by Another Lady

Jane Austen

"AND WHOSE very snug-looking position is this?" stated Charlotte as, in a sheltered dip inside miles of the sea, they handed within reach a moderate-sized house, good fenced and planted, and wealthy within the garden, orchard and meadows that are the easiest gildings of this kind of dwelling. "It turns out to have as many comforts approximately it as Willingden."

Un passaggio quasi indolore Ogni volta che rileggo il frammento di undici capitoli e mezzo di Jane Austen mi sento stringere il cuore according to l'angoscia quando arrivo a quell'ultima data, a quel 18 marzo, giorno in cui l'autrice, troppo sfibrata dalla malattia, dovette abbandonare quel suo settimo figlio, proprio come una gravidanza mai portata a termine. Per noi Janeites il dolore è tanto più grande ogni volta che rileggiamo quelle pagine, quanto più ci rendiamo conto che Sanditon (che poi, chissà come lo avrebbe chiamato Lei, l. a. carissima Zia Jane) avrebbe potuto essere uno dei suoi lavori più belli, se non addirittura il più bello. In questo frammento, infatti, ritroviamo tutta los angeles sua verve, con dei capitoli densi di ironia pungente. Quasi un ritorno all'ironia non dico degli Juvenilia, ma delle opere più giovanili; un'ironia che in Mansfield Park, forse according to through del diverso carattere di Fanny, period meno evidente, anche se, pensando a leave out Bates, Mr. Woodhouse e Mary Musgrove, non si può dire, in effetti, che mancasse in Emma o Persuasione. Lady Denham sembrava un vero tesoro da esplorare, un ridicolo combine tra girl Catherine de Bourgh e Mrs. Norris con un'ostinazione cieca e meschina Sanditon: Continued and Completed by Another Lady che non si vede l'ora di veder gabbata. La lettera che omit Diana Parker scrive al fratello Thomas, il responsabile dello spostamento della protagonista a Sanditon, è un piccolo capolavoro: con il suo dilleggio all'ipocondria ci presenta tre fantastici personaggi secondari, Diana, Susan e Arthur Parker, che incontreremo in seguito e che si riveleranno tre piccole perle austeniane da cui è difficile staccarsi. Il "mistero" di omit Bereton, los angeles nipote di girl Denham, appena accennato prima della superb del frammento, fa quasi pensare a Jane Fairfax, e questo è decisamente un ottimo punto di partenza Sanditon: Continued and Completed by Another Lady according to un autore di sequel. La Dobbs/Telscombe è stata poi molto brava a mescolare le carte in modo molto scaltro, fondendo capitoli e proseguendo senza soluzione di continuità, in modo che, chi non Sanditon: Continued and Completed by Another Lady ha mai letto il frammento di Sanditon, non riuscirà a capire dove questo finisca. In realtà, in quei pochi capitoli, Jane Austen già dà un accenno alle forti volontà che popolano il romanzo. Tutti i Parker sembrano essere grandi organizzatori e un po' manipolatori, e così woman Denham, dall'alto del suo titolo e delle sue ricchezze. Partendo da questa caratteristica comune nella famiglia Parker e prendendo a prestito l'ironia un po' canzonatoria di uno dei protagonisti più apprezzati di Jane Austen medesima, Henry Tilney, l'Altra Signora/Marie Dobbs/Anne Telscombe ha modellato un protagonista maschile molto ben riuscito, che non sembra discostarsi dai canoni austeniani, eppure è diverso dagli altri sette (se si tiene presente che in Ragione e sentimento i protagonisti maschili sono due). Immaginate dunque un Henry Tilney che ha in line with fratelli i Parker così come ce li ha presentati Jane Austen nel frammento... l. a. miscela è esplosiva, e Sidney, pur non nascondendo l'affetto verso fratelli e sorelle, non potrà non prendere in giro i loro atteggiamenti. Ma Sidney ha anche qualcosa da nascondere - come uno dei villain di Jane Austen o come Edward Ferrars - oltre a

una carica di simpatia irresistibile. Come Frank Churchill, Sidney Parker arriva a Sanditon dopo essere stato invitato numerosissime volte dal fratello e aver declinato l'offerta, preferendo la vita sociale più attiva di Londra. E proprio come Frank Churchill, Sidney ha i suoi buoni motivi in keeping with visitare con l'amico Henry Brudenall la cittadina sul mare. Sidney racconterà ai parenti le pene d'amore dell'amico, che è dovuto andar through da Londra in line with non vedere la Sanditon: Continued and Completed by Another Lady cugina di cui è innamorato sposata a un altro. Henry Brudenall, come James Benwick in Persuasione è dunque giustificato in line with l. a. sua quasi totale asocialità, anche se, al contrario del capitano Benwick, che pian piano si apre e chiacchiera con Anne Elliot, Brudenall terrà con Charlotte Heywood un comportamento più simile a quello di Mr. Palmer verso le signorine Dashwood in Ragione e sentimento. Insomma, ci sarebbe da parlare in step with ore dei combine che Marie Dobbs ha saputo creare nei personaggi in step with renderli austeniani (come, according to esempio, le due sorelle Beaufort, un eccellente miscuglio delle sorelle Steele con le due omite Bennet più giovani e una spruzzata di Harriet Smith), ma il personaggio più riuscito è decisamente lei, Charlotte Heywood. La protagonista unisce le caratteristiche di molte delle eroine austeniane. È un'osservatrice della natura umana, proprio come Elizabeth Bennet, ma è più riservata di lei e, malgrado si sia formata un'opinione ben decisa su molte delle persone che incontra a Sanditon, l. a. tiene consistent with sé, senza mai giudicarle spietatamente. Anzi, si comporta un po' da Jane Bennet, quando arriva a essere scioccata dai commenti canzonatori di Sidney verso i propri fratelli, malgrado, nel profondo del suo cuore abbia pensato di loro esattamente le stesse cose. È molto gentile e sempre disponibile in line with gli altri, anche ignorando i propri desideri, proprio come Anne Elliot e Sanditon: Continued and Completed by Another Lady Fanny Price. Ed è ingenua come Catherine Morland, ma mai stupida. Questo compendio di eroina austeniana non sarà forse il risultato finale che avrebbe raggiunto Jane Austen se avesse potuto portare a compimento Sanditon, ma è tuttavia un surrogato molto credibile, di cui è molto facile accontentarsi. Alcuni hanno detto che la soluzione finale dell'Altra Signora è poco austeniana, ma io l'ho trovata originale e non del tutto estranea alla Austen. Dopo tutto, ho già detto che l. a. Clara Bereton profilata da Jane Austen mi somigliava a Jane Fairfax, quindi da lei ci potremmo aspettare di tutto, no? Ma non voglio fare spoiler, quindi taccio. Perché spero ardentemente che questo romanzo completato da Marie Dobbs venga tradotto in italiano, dal momento che Sanditon: Continued and Completed by Another Lady è uno dei sequel più belli e divertenti che abbia mai letto!
