SHADOW MAN

Shadow Man by Cynthia D. Grant

Cynthia D. Grant

provide spins a Rashomon-like tale with a drunk-driving fatality at its core. Chapters are narrated through assorted population of a seacoast California city the place well known Gabriel, 18, is located lifeless one night: after he left a celebration on my own and inebriated, he crashed his truck right into a tree. Jennie Harding, Gabriel's girlfriend, resented his alcoholism and infidelity, yet cherished him. in simple terms Gabriel knew she is 5 months pregnant and they had quarreled nights earlier. at the morning Jennie learns of his death, she runs to their mystery beachfront spot, considering suicide. examining their daughter's diary for clues to her whereabouts, the Hardings research of her and take steps that eventually store her life. Grant's darkish novel, whereas affecting, turns into melodramatic: Jennie's tried martyrdom is extreme, whereas Gabriel's father Frank, who battered his spouse and sons, turns out an not likely hero. but the cautionary story could motivate readers' reflections on life, demise and the necessity to act intelligently.
