## Shakespeare's Christmas (Lily Bard #3)

Charlaine Harris

Even in a sleepy Arkansas town, the vacations might be murder. Lily Bard goes domestic for the holidays. more well-off in saggy sweats than bridesmaid's frills, Lily is not overjoyed approximately attending her estranged sister's wedding. She has moved to Shakespeare, Arkansas, to begin a brand new life, cleansing homes for a living, attempting to disregard the violence that after approximately destroyed her. Now she's heading again to domestic and hearth--just in time for murder. The town's healthcare professional and nurse were bludgeoned to dying on the office. And Lily's Shakespeare's Christmas (Lily Bard #3) detective boyfriend by surprise exhibits up at her parents' door. Jack Leeds is investigating an eight-year-old kidnapping and the path leads instantly to Lily's hometown. It simply may need whatever to do with the murders...and her sister's widowed fiancé. With in basic terms 3 days prior to the wedding, Lily needs to paintings quickly to scrub up the messy case ahead of her sister commits...marriage!

do not be misled via the title, "Shakespeare's Christmas" is isn't a "Christmas Special" the place we get to work out the folk of the small city of Shakespeare appearing as though they have been in a remake of "It's an excellent Life". it's the darkest, and that i imagine the best, booklet within the sequence so far. it really is set before, no longer at Christmas and so much of it occurs open air of Shakespeare. The secret in "Shakespeare's Christmas" isn't really a well mannered "whodunnit" homicide below the mistletoe, however the dying of a tender mother, knifed and left to bleed out within the snow, and the quest for a monster who preys on young ones whereas masquerading as Shakespeare's Christmas (Lily Bard #3) a kinfolk friend. It has adequate twist and turns to maintain you guessing and adequate evil to awaken rage within the reader. As with the 1st books, the object I Shakespeare's Christmas (Lily Bard #3) loved so much was once the continued improvement of Lily Bard. it is transparent to me now that the 5 books within the sequence song Lily's evolution from anyone who has remoted herself in order that she will be able to cope quietly with the duty of staying alive from day-to-day, to an individual who has taken the danger of making a lifestyles that she values with people who she loves, although she is often frightened of the vulnerability to loss and grief that this may produce. In "Shakespeare's Christmas", Lily has reluctantly come again to her domestic city to wait her more youthful sister's wedding. She is familiar with that she's going to need to wear her corporation manners for the marriage showers and practice session dinners yet what concerns her are usually not the formal niceties however the have to exhibit herself to the friends and family that she walked away from, after her rape and mutilation, whilst she may perhaps now not dwell with their pity or their pain. There are not any tender edges here, no Hallmark Moments, as an alternative we get a good exploration of ways Lily copes with being again with humans she loves yet who Shakespeare's Christmas (Lily Bard #3) she unearths it difficult to stay with, not only simply because Shakespeare's Christmas (Lily Bard #3) they grieve for who she was once yet simply because she not desires to be that person. In her brain there's the previous Lily from prior to the rape and the recent Lily she is now: an individual solitary, somebody vigilant, somebody robust adequate to guard herself, somebody who is previous lifestyles has been stolen from her, a person who can now not think that other folks are

essentially good. Lily struggles to attach her new self to her kinfolk and her friends. one of many issues that is helping her with this is often her encounters with children. Lily believes that she doesn't comprehend children, but the reader sees that her honesty, her directness and her power suggest that she succeeds in successful their belief and their admiration. Like at Shakespeare's Christmas (Lily Bard #3) the very least many of the kids round her, Lily believes within the monster underneath the bed; she believes that safeguard is an illusion; that vigilance and power are essential to survival and that males are prepared to take advantage of violence to get what they want. What Lily learns from the youngsters is that she has no longer develop into a cold, far away monster; she has turn into a dragon-slayer. As occasions unfold, Lily additionally learns that a part of her power now comes from being with Jack. generally for Lily, whereas she understands this to be real and suspects it to be good, she concerns that it'll make her vulnerable. There is evil during this book. An evil made worse because, as Lily and Jack attempt to hunt down its source, they locate too many strength applicants too with reference to home. there's additionally love during this book. As Lily does Shakespeare's Christmas (Lily Bard #3) what she must do to make these round her safe, she eventually involves take into account that she will be the recent Lily, strong, honest, and cautious and nonetheless be enjoyed as a daughter, a sister, an aunt, a one-time lover, and an previous friend. The e-book ends with Lily going again to Shakespeare for Christmas. it truly is her domestic now. It includes the issues in her lifestyles that she such a lot desires to celebrate. After completing the book, i made a decision that to learn the remainder of the sequence again to back. i will preserve you published on my impressions.
