Sir Gawain and the Classical Tradition: Essays on the Ancient Antecedents

Edward L. Ridsden

The 14th century English alliterative poem Sir Gawain and the fairway Knight is well-known for its morally complicated plot and exceptional poetics. A chivalric romance put in an Arthurian setting, it bought acclaim from the peasantry of its time for its statement concerning vital socio-political and spiritual concerns. The poem's technical brilliance blends mental intensity and shiny language to supply an influence greatly thought of improved to Sir Gawain and the Classical Tradition: Essays on the Ancient Antecedents the other paintings of the time. even if the poem is a mix of English alliterative meter, romanticism, and a wide-ranging wisdom of Celtic lore, continental fabrics and Latin classics, the level to which Classical antecedents affected or directed the poem is some degree of persevered controversy between literary scholars. This number of essays through students of numerous pursuits addresses this perplexing and engaging question.
