# Slow Food: Collected Thoughts on Taste, Tradition, and the Honest Pleasures of Food

Carlo Petrini

This number of articles from sluggish Magazine, the magazine of the the world over well known sluggish nutrients movement, celebrates nutrition customs from Slow Food: Collected Thoughts on Taste, Tradition, and the Honest Pleasures of Food around the globe and decries the quick meals ethos that threatens to globalize our palates.

A compilation of articles from the sluggish foodstuff movement's magazine, Slow, this was once a bit slow-going. Even the articles approximately nutrients (a favourite subject of mine) were not fairly interesting, even supposing they have been informative. there has been one article, a fictional piece approximately cannibalism, that i discovered very jarring amidst the remainder of the essays.

## Slow Food Collected Thoughts On Taste Tradition And The Honest Pleasures Of Food
