

STANLEY  
SPENCER

---

# Stanley Spencer by Stanley Spencer Timothy Hyman

Timothy Hyman

"Stanley Spencer (1891-1959) was once the main unique British painter of Stanley Spencer his era. This catalogue celebrates the achievements of an artist who endured to discover and strengthen over 5 decades." "By 1914, elderly in simple terms twenty-two, Spencer had accomplished a chain of significant non secular works set within the Thameside village of his childhood. Stanley Spencer He skilled the 1st global battle as a lack of Eden, but his paintings was once opened to complexities unguessed at in his Cookham innocence. An essay by way of Patrick Wright makes a speciality of Spencer within the 1920s, uncovering a brand new cultural milieu and pointing to hidden issues within the work of art he painted for Burchclere Chapel. Timothy Hyman charts Spencer's paintings as a technique of autobiographical revelation, tracing his transition from the huge Christian idealism of Giotto to Stanley Spencer his war of words with uncooked fact and sexual delusion within the challenge years of the 1930s. either essays find Spencer along his contemporaries, corresponding to Otto Dix, Max Beckmann and Diego Rivera. Reproducing a wide collection of his most interesting works, together with a number of which are little known, this publication bargains clean views in response to present examine and provides a ground-breaking survey of the artist."--BOOK JACKET.

very good ebook on a really attention-grabbing artist and man. Very readable

## Stanley Spencer
