big name WARSPATRICIA C. WREDE74 PAGES1. In cutting-edge reading, did the environment or any characters remind you of individuals or characters on your personal own life? were any of the occasions or occasions just like your individual life? how have been they alike and the way have been they different? R/ this week i have learn seventy four pages, and after these pages i simply found out that the younger anakin skywalker had a similar doubt as me pertaining to his future. his life, his love have been the object for what he was once fearful about. whilst i used to be interpreting this part, i simply remind myself that i had a similar truth in my brain all of the time. is that whatever stable to be warried approximately our destiny or may still we ignore that and revel in the current time. that's the question.3. should you may perhaps switch the surroundings during this tale to a different setting, what atmosphere might you choose? could you modify simply the time period? or might you alter the place, the season, the particular environment-one of poverty, riches, or middleclass america? why could you are making these changes? R/ after having learn the a hundred first pages of this ebook if i may switch the atmosphere during this tale to a different setting, i might attempt to make it extra realistic. i suggest extra actual, and particularly to aim to alter thoroughly this univers that's different than ours. i need to make it on this planet with a few actual personality and never all of those aliens or sort of,lol
