Frank Mackey

offers a story account of the 1st twenty-five years of steam navigation alongside the St Lawrence and Ottawa Rivers. This name makes a speciality of the improvement of steamer site visitors from 1816 - while the rules have been laid for the 1st stage-and-steamboat line among Montreal and higher Canada - to the early 1840s.

I admit to being prejudiced simply because via interpreting the publication (at TRL) I won a far better realizing of lifestyles in Montreal(1820-1835) a time whilst I had kinfolk connections there. while I contacted Frank via his writer he was once so much gracious in on reflection via his notes for this good researched narrative. He even shared with me notes he had now not utilized in the book.
