# Stress Reduction by William J. Collinge

William J. Collinge

Dr. Collinge starts by means of explaining the psychophysiology of stress, and the way it contributes to high blood pressure and different diseases. He then explains the main profitable self-management recommendations and mind/body ideas to construct "stress-hardiness", decrease excessive blood pressure, and reduce the chance of stress-related disease. Listeners additionally how to reply to probably demanding occasions in new ways.

this booklet is redonkulous! duh, you'll obtain this knowledge from a loose website... yet still, I loved hearing a few extent, since it offers me whatever to hear whilst i do not be aware of what to do approximately my stress...

## Stress Reduction
