The New Critical Idiom

Subjectivity (New Critical Idiom) by Donald E. Hall

Donald E. Hall

Subjectivity explores the historical past of theories of selfhood, from the classical period to the current and demonstrates how these theories will be utilized in literary and cultural criticism. It examines all of the significant methodologies and theoretical emphases of the twentieth and twenty first centuries.

a very good advent to subjectivity with a spread its number of Subjectivity (New Critical Idiom) theories starting from the Classical period to now.
