Sucesos Argentinos by Vicente Battista

Vicente Battista

A fines de 1977 un argentino que vive en España desde hace años, ganándose los angeles vida en los más difusos márgenes de l. a. ley, es enviado de regreso a su país como representante de un consorcio catalán. El objetivo es obtener los contratos para construir las primeras autopistas porteñas; los angeles verdadera función de ese "hombre de paja" es Sucesos Argentinos conseguir a cualquier precio y sin fijarse en minucias legales, que sus empleadores triunfen en l. a. licitación. Lo que parece ser una operación sencilla, sin embargo, se enturbia más y más a medida que el protagonista se ve envuelto en una malla de corrupción y crimen que pone en peligro no sólo su misión sino también su vida, en un país que se ha vuelto irreconocible, hasta para su cínica mirada. Sucesos Argentinos apela al registro de los angeles novela negra para retratar a los angeles Argentina de los años de l. a. dictadura militar Sucesos Argentinos y a un protagonista sin nombre para acentuar su carencia de raíces e ideales. Por l. a. eficacia envolvente de su narración y los notables claroscuros que exhiben tanto los personajes como los escenarios donde sucede los angeles acción, Vicente Battista obtuvo el Premio Planeta 1995, según el veredicto del jurado compuesto por Abelardo Castillo, Antonio Dal Masetto, José Pablo Feinmann, Juan Forn y Vlady Kociancich.
