## The Agency (Tess Drake #1) by Ally O'Brien

Ally O'Brien

Meet Tess Drake. She's earned every little thing she has. Now it is time to get what she deserves...Sexy super-agent Tess Drake has labored demanding to make a reputation for herself within the glamorous but cut-throat leisure industry. Tess works at a global agency, the place she skillfully manages a few of the world's largest egos—her company, Bardwell foreign operates within the thrilling, fast paced worlds of Rights, wrongs and revenge. Tess has been an agent there for longer than she cares to recollect and now she's in trouble. actual trouble. After the mysterious loss of life of the agency's senior partner, Lowell Bardwright, Tess's sworn enemy, Cosima Tate, has taken over and could do whatever to ship Tess's occupation down in flames. The Agency (Tess Drake #1) And Cosima is just one of the rogue's gallery of brokers in London and big apple who wish Tess to take a fall.Tess has one other little complication, too. She's slumbering with males on each side of the Atlantic who're in mattress with the ladies who're attempting to sink her.Can Tess bounce send with out wasting her consumers and breaking her heart? Or will she lose every thing earlier than checking out if she quite has what it takes to do what she's continuously wanted?There's hazard and present during this wickedly humorous novel The Agency (Tess Drake #1) that turns the realm of agenting within out and lays naked all of the ambition, sex, adrenaline, undesirable luck, and solid good fortune on the heart of 1 younger woman's success.

good I stayed up overdue final evening completing the book, simply because I simply couldn't set it down. before everything I had doubts concerning the book, and felt i couldn't hook up with the author and story, simply because there have been such a lot of London destinations pointed out, that I felt lost...(never being to London myself, i couldn't photograph what the locations, landmarks, streets, and so forth appeared like-which made me disconnect from the book). however the extra I read, the extra the tale took over, and the mentions of destinations did not part me. Tess, the lead personality is so admirable. i actually felt a reference to her simply because she believes that her activity is among the most vital issues in her life, and the pride of her consumers is most sensible of her list. They succeed-she succeeds. She is genuine along with her clients, and that i simply came upon myself having a look as much as her...making this fictional personality a role-model of sorts..I was once a bit of stunned on the little murder-drama subject matter in the midst of the book, however it worked. a few components of the publication have been very predictable, however it was once ok. Overall, I enjoyed this book. It gave me a good feeling, and a desirous to achieve my very own life, that's infrequent for me whilst I learn "chick-lit" forms of books. i might definately suggest it, and am going to be passing it right down to my sister to learn as well! i'm quite thankful for profitable an increase reproduction of this publication on here, and whilst i used to be performed with the book, I simply idea to myself- wow what an excellent book, i am so satisfied I obtained to learn this earlier than so much people! It made the complete confident vibe of the publication even greater, making me believe distinct for with the ability to learn and overview this sooner than most. Merged review:\*\* spoiler alert \*\* good I stayed up past due final evening completing the book, simply because I simply couldn't set it down.At first I had doubts in regards to the book, and felt i couldn't hook up with the author and story, simply because there have been such a lot of London destinations pointed
