L'avevo acquistato perché sia il titolo sia l'ambientazione richiamano in maniera diretta un altro romanzo according to ragazzi letto qualche anno prima, ovvero "L'apprendista" di Paul Bajoria, edito Fabbri Editori. Non si è dimostrato all'altezza di quest'ultimo, ma il giudizio resta comunque positivo. L'autore segue le vicende di diversi ragazzi, che nello stesso pace e nella stessa città frequentano periodi di apprendistato presso artigiani e artisti diversi, e i cui destini finiranno The Apprentices (Apprentices #1-12) in step with incrociarsi.
