

THE BOOK OF ANGELS

RUTH THOMPSON, L.A. WILLIAMS,
AND RENAE TAYLOR

The Book of Angels by Ruth Thompson

Ruth Thompson

the tale of the archangels is considered one of heroism The Book of Angels and drama, and the realm they characterize is not like any you know. The booklet of Angels shines a mild on little-known proof of angel lore which have been hidden away for hundreds of years in forgotten books and histories stored from extensive circulation. Boldly illustrated with Ruth Thompson's gorgeous full-color artwork, this e-book indicates you info of angel historical past and heraldry that experience by no means been so vividly rendered, and that you just can't glean from conventional myths and legends. a unique part on Angelic Lore can be included, which recounts tales from the Bible, literature, and history. this is often your advent to beings of awe and mystery, and a realm illuminated via their valor and magnificence.

the most function of this publication is to notify with attractive art. The paintings of this booklet is de facto amazing. It was once great to work out the archangels of angelic lore wearing anything except gowns and towels. although I carry doubts to any kind of accuracy with the 'angelic script' mentioned within the book, it does checklist The Book of Angels numerous nicknames and tales that concerned the most archangels, each one of their personal section. in case you are trying to find encyclopedic information, this most likely is not what you are looking for. in case you are searching for awesome complete colour photographs and a 4 web page precis on Michael, Gabriel, Raphael, Azrael, and Samael, then this The Book of Angels may be greater than suitable.

The Book Of Angels
