Eean, a fisherman's son and past due an enchanter's apprentice, is stuck attempting to thief a king's great horse. To stave off execution, he relates the occasions that led as much as the tried theft, and midway via his tale, another individual breaks into the stable... the writer is Irish, The Boy Apprenticed to an Enchanter yet this hasn't ever struck me as a very Irish story--more a mixture of many alternative fairy stories and legends. now not a criticism; it is a wonderful meld, and the tale does not fall right into a predictable pattern. The constitution can also be a piece unusual. it has got a properly powerful heroine--she rescues the hero at the least once--and whereas the illustrations do not do whatever for me, they're lavish and fitting.
