

The Bremen Town Musicians by Lisbeth Zwerger

Lisbeth Zwerger

this can be the vintage story of 4 beleaguered animals—a donkey who can now not work, a hound who can not hunt, a cat who's too outdated to chase mice, and a hen who's scheduled to develop into dinner—who choose to run off to be musicians within the city of Bremen. yet they get greater than they bargained for once they bump into a frightful gang The Bremen Town Musicians The Bremen Town Musicians of robbers. might be they could discover a shrewdpermanent approach to flip their dreadful making a song to their virtue during this wittily

illustrated ebook that's bound to entice Ms. Zwerger's many fans.

CIP: "While on their strategy to Bremen, 4 getting older animals who're not of any use to their masters discover a new domestic after outwitting a gang of robbers." A small The Bremen Town Musicians crew of barnyard animals subscribe to jointly after being solid away through their vendors with the hopes of constructing a destiny as a band of musicians, with unpredictable results. The message of perseverance is sophisticated yet important, and proven fact that the animals are being solid away by way of their vendors may end up in attention-grabbing conversations with little ones approximately animals and our throw-away society. PRW gave this booklet a good review, giving illustrator Zwerger kudos for her attractive paintings and The Bremen Town Musicians translator Bell credits for sticking to the unique story. Booklist supplies this translation of the folktale a good review.
